www.langfordfamily.com

Time for the **20th** annual

LANGFORD FAMILY ROUNDUP

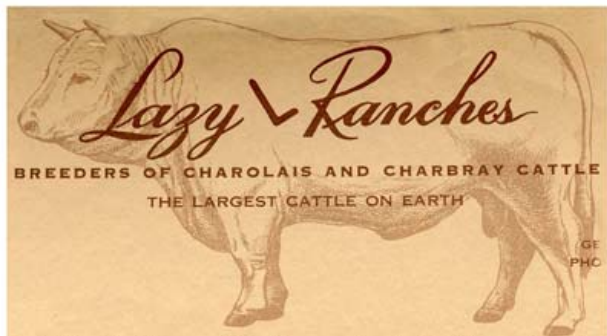

Descendants of
Milton H. Langford and Mary Ann Banta

When: Saturday, July 25, 2009

Where: 411 14th Street, Bandera

Time: **noon** (hot dogs, hamburgers)

Participation: come one, come all!

The first Charolais cattle to come to the USA were purchased in 1936 by the King Ranch from a Mexican Industrialist, Jean Pugibet. Pioneers in developing purebred Charolais herds and the breed, Charbray, included Dr. C. H. Langford, Othell Langford and Eldon Langford. No other breed has impacted the North American beef industry as significantly as the introduction of the Charolais.
